

## **AFTER 4 SEASONS.....**

The Everett Silvertips have played four seasons in the WHL. Time does fly when you are having fun. It seems like yesterday when the Silvertips opened up their inaugural season in Kamloops, BC on September 19, 2003 against the Kamloops Blazers.

In four seasons, the Silvertips have won three US Division Titles, one Western Conference Title and one WHL Regular Season Championship. Individually, Everett has produced four NHL Draft picks with two expected in the 2007 NHL Draft and eleven former players playing professionally in North America and Europe. Here is a rundown of Silvertip team and individual records after four seasons in the WHL.
